

Help the Town of Smyrna Plan for Our Parks

Join us for our second Planning Workshop on:

Monday, August 22, 2022 from 5:00 pm - 8:00 pm

Citizens Hose Company Banquet Hall
103 W. Commerce Street, Smyrna, DE

Park planners have reviewed input from the community questionnaire, the March 12 public meeting, and meetings with Smyrna Middle and High School students. From this, several concepts have been developed for George Wright Municipal Park, Green Meadow Park, Lake Como Park, Mill Creek Park, Sunnyside Park, and Bon Ayre Park. Concepts for safer pedestrian and bicycle routes to Smyrna's parks from neighborhoods and schools will also be shared.

Agenda

The meeting is an open house format. Displays prepared for each of the focus areas and recommendations for providing safe routes for walking or bicycling to Smyrna's parks will be posted in the Banquet Hall for your review and comment.
